KAYUMANIS UBUD PRIVATE VILLA & SPA

Kayumanis Ubud Private Villas & Spa is cocooned within a tropical forest overlooking the Ayung River. It is part of a traditional Balinese village whereby daily life revolves around a cultural calendar of religious ceremonies and community events. Significantly distanced from mainstream activity, the resort is luxury hideaway where you will feel rejuvenated by the sights and sounds of nature. With a design concept that is in harmony with the surrounding environment, Kayumanis Ubud offers a collection of well-appointed Balinese villas and supporting lifestyle facilities. Every effort has been made to tread lightly and respect the immediate landscape. From preserving mature trees to the choice of indigenous materials such as coconut wood, thatched rooftops and textured stone, the property is a model of sustainable hospitality.
