
WAYAG-PIAYNEMO TOUR

Comprise of more than 1500 islands just off Sorong, Raja Ampat Islands presents otherworldly scenery of steep, lush jungle-covered islands, serene white-sand beaches, treasured lagoons, and pellucid turquoise water. It was very fortunate for our influencers that they were invited to enjoy this paradise. Now, it's your turn to follow their steps and take a glimpse of the stunning wonders of the mighty Raja Ampat!

DAY 1 : ARRIVAL (L,D)

Selamat datang!

Arrival in meeting point Bandara Domine Eduard Osok Sorong, meet with your guide then use public fast boat (2 hours) 9.00 and 14.00. City Tour at Waisai-Tugu Selamat Datang and WTC Beach. After that check in and have lunch at the resort, free activity at the resort. Dinner and then have a rest.

DAY 2 : WAYAG – KABUI (B,L)

Breakfast at the resort & check out. Start the trip at 7.00. The first spot is Desa Selvele - Check Point Wayag. After that the second spot is Wayag view point. Lunch will be provided with lunchbox and rest at Wayag Beach. The third spot will be Shark Conservation Post. The activity will be feeding shark and Photoshop. The fourth spot will be Batu Pensil Kabui, its include photoshop. Right around Kabui Bay, you can witness the glory of a giant rock formation standing upon the pristine water of the bay. Named Batu Pensil, which literally means 'pencil rock', the rock formation actually doesn't really resemble a pencil. Due to weather and climate, the original shape has changed so much since its discovery. Like any other coral island in Kabui Bay, Batu Pensil has also been listed in the World's Geopark Site. After that back to resort have a dinner, and rest.

DAY 3 : PIAYNEMO - TELAGA BINTANG - SAUWANDAREK - YENBUBA - PASIR TIMBUL (B,L,D)

Breakfast at the resort, start trip at 7.30. The first spot is Piaynemo view point. Raja Ampat is famous for its coral Islands and the most famous being Piaynemo. The water surrounding these islands is clear blue and the perfect temperature. All of the islands as they are still in there raw, untampered state which is nice to see. The quantity and variety of marine life here is so great that scientists have described this area as a biological hotspot and believe that the reef systems here act to restock reefs throughout the South Pacific and Indian Oceans. The second spot is Telaga Bintang view point. Lunch will be provided with lunchbox and then rest at Sauwadarek. After rest, the third & fourth spot is Sauwandarek & Yenbuba, with snorkeling. After that, the fifth spot is Pasir Timbul, with photostop. Translated as “Rising Sand”, Pasir Timbul is a small serene body of sand in the middle of the sea and only appears when the sea water is receding. This spot is one of the most favorite highlight to take instagrammable pictures. Our Trip of Wonders influencers were beyond excited to enjoy such a peaceful ambience here in Pasir Timbul and took some epic pictures to remember. Pasir Timbul are blessed with beautiful background of clear waters, blue skies and white sandy beaches. The perfect holiday shot indeed! After that relax at Friwen Beach. Dinner and then have a rest.

DAY 4 : SORONG CITY TOUR (B,L,D)

Breakfast at the resort, free program, and then lunch at the resort. After that check out. Using public fast boat back to Sorong (approximately 2 hours) at 9.00. City tour Sorong & shopping buy some souvenir like batik, kaos, kopi and local art. Dinner will be provided at local restaurant. Check in to the Hotel at Sorong and then have a rest.
