And then we went to Handara Gate. The Bali Gate is one of the most iconic Bali photos. So if you're heading north, here's everything you need to know for visiting the Handara Gate Bali. Thereafter drive up to Bedugul, an attractive mountain resort located about 1100 meters above sea level. There lies a tropical market and an ancient Lake Beratan with its magnificent "floating" Ulun Danu Temple dedicated to the goddess of the water dwelling in this area. After that, proceed to Tanah Lot, a spectacular temple built in the 17th century, on top of rock about 200 meters offshore. The whole compound will turn into a wonderful silhouette as the sun sets right behind the temple, one of the most photographed temples on the island - for good reason. Tour returns to the hotel.
